Corn is moving readily at \$2 in this community.

Higgins Alcorn lost another child from typhoid fever last week.

Joseph Davis bought the McGuire farm of 60 acres on Dix river for \$2,100.

James Wilcox sold his farm on Dix river near here at \$17.50 per acre to J. H. Weaver and bought the Franklin Owsley farm of 55 acres on the Stanford and Lancaster pike at \$25. All dislike to give Mr. Wilcox up, but we are glad to say we are getting a good man to his place.

W. Boyd Morrow, of Somerset, who underwent an operation at Norton Infirmary this week for appendicitis, is resting well.—Louisville Times.

Madame Cecilia Eppenhousen Bailey will be at the Danville opera house Friday week, under the auspices of the local chapter of the United Daughters of the Confederacy.

Miss Green, of Allamont, who had killed one man and been in many difficulties, was shot through a window by an unknown assassin while eating his supper and instantly killed.

Mrs. Nancy Nunnally sued William G. Nunnally, her brother-in-law, for \$10,000, alleging slander. The case was tried in the Pulaski circuit court and a jury gave the plaintiff one cent and costs.

## Doesn't Respect Old Age.

It is shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe, and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation, all yield to this perfect pill.

Get at Pennsylvania drug store.

## For Sale Privately.

My house and lot of 10 acres of land situated just outside of town limits on the Somerset pike. House has 7 rooms, kitchen and servant's room, good cellar, stable and all necessary outbuildings. Water hydrant to the yard and one for stock.

CHAS. G. GIBBS, Louisville, Ky.

D. S. CARPENTER, Hustonville, Ky.

## EVERYBODY IS NOT A TAILOR!

Having been in the Tailoring business all my life I feel confident in saying I represent one of the best tailoring firms in the country. With my experience in taking measures, and directions I give, your clothes are bound to be satisfactory as my many patrons in this line will bear me out. My prices are the same as inexperienced men who are in the business. I also have a nice line of fancy chevrons and other suitings I will cut and make if you desire at a moderate price. Thanking you for past favors, I am, yours,

H. C. RUPLEY, the Tailor.

## HIGHLAND.

Water is almost as scarce as money. Wm. Long got one of his feet considerably mangled while hauling logs.

Mr. J. C. Elder, who came from Illinois a few days ago and bought the Bryant place from T. W. Hutchison, is with his brother-in-law, N. L. Wright.

Colley's saw mill has not run for some time on account of having no water. He keeps hauling logs with the hope that it will rain some time this fall.

Eliza Goodpaster and Miss Erma Young were married on the 31st by Rev. J. M. Cook at the home of the bride's mother. They left yesterday for Mr. Goodpaster's home near Nicholasville.

Tim Hutchison has moved to the Bryant place and J. M. Adkins has moved to the Hutchison place. Messrs. James and Montgomery, of Mercer, and Mr. Conn, of Garrard, have moved in and taken possession of their places recently bought here. Men Baugh will move to the H. P. Young place this week.

H. P. Young, one of our oldest citizens, died on the 29th, after an illness of two years of consumption, the last 14 months of which he was confined to the room from the effects of a dislocated hip. During his long illness he was never heard to murmur nor complain, but bore his sufferings patiently to the last. His remains were laid to rest in the burial ground at the Methodist church after funeral services conducted by the pastor, Rev. G. H. Cannon, assisted by Rev. J. M. Cook, John Godbey and George F. Thompson, of the Methodist church, and Elder J. M. Long, Carr and Jones, of the Christian church, who also acted as pall bearers. H. H. Newell, of Ansel, Rev. George P. Thompson and wife, of Bethel Ridge, Mr. and Mrs. J. W. Long, of Gilberts Creek, C. M. Jones, of Maywood, and R. B. Kagan, of Preachersville, were present at the burial.

## MATRIMONIAL.

L. J. Vanhook and Miss Hester Laugh, both of the Highland section, were made one on the 24.

Richard Murphy, aged 18, and Miss Lou Hutchison, 21, were married at Thomas Carter's Wednesday.

The marriage of Miss Lida Arnold and H. H. King was very quietly celebrated at the bride's residence, Wednesday afternoon at 2 o'clock. Elder F. M. Tindler officiating.

Thomas H. Collins and Miss Annie Neale Bennett, both of Richmond, surprised their friends by being quietly married. Rev. J. W. Crates, of the Methodist church, officiated.

Mr. R. L. Myers and Miss Bertha Dishon, both of Moreland, drove to Stanford Tuesday afternoon and were joined in wedlock a holy bonds by Rev. J. P. Ross at the Methodist parsonage.

The Shady Side Presbyterian church, of Pittsburg, one of the wealthiest churches in that city, has called Dr. J. Kinney Smith, of the Fourth Avenue Presbyterian church, Louisville, to the pastorate.

Nathan McCune and Miss Laura Young, of Glasgowville, Mercer county, left home yesterday to go out for a drive, and wound up by going to the residence of Mr. Johnson and getting married.

At the home of Mr. and Mrs. A. A. Barnes, in Knoxville, John W. Bates and Miss Lilla E. Miller, two well known young people of Somerset, were united in marriage by Rev. J. M. Richmond, pastor of the Fourth Presbyterian church.

Only Makes a Bad Matter Worse.

Perhaps you have never thought of it, but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effects and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of medicine. Try a 25 cent bottle of them. For sale by all druggists.

A traveler from the East shortly after leaving Kansas City, asked the porter how long it would be before the train emerged from the tunnel through which it was then passing. "Dis ain't no tunnel, sah," replied the porter. "We's jes' passin' thru de Kaosss corn belt and de tall stalks shute out de sun. You won't see no mo' daylight fob 200 miles."

SHORTHAND AND BOOK-KEEPING.—Taught thoroughly by mail. Teachers can increase their earning capacity by taking a course. For information write J. W. Davis, 427 Madison Avenue, Covington, Ky.

Jesse R. Grant, youngest son of Gen. U. S. Grant, has declared for Judge Parker for president.

## NEWS NOTES.

John Barling, a 14-year-old boy, was killed by a stray Halloween shot at Westfield, N. J.

Wilson Newman, a saw mill man, was caught in a belt at Midland City, and fatally mangled.

Attempts were made by incendiaries to destroy the Palace of Justice and the Palace of State in Milan, Italy.

W. A. Cannon, one of Lexington's best known merchants, died suddenly and unexpectedly of indigestion.

In response to demands by insurance companies, better fire service will be at once established at Mt. Sterling.

Within 15 hours four men were killed and a fifth mortally wounded in personal altercations in the Birmingham, Ala., district.

Five thousand coal miners have been thrown into idleness by the strike of hoisting engineers in the Spring Valley coal fields of Illinois.

Fitting services in memory of the late Capt. El Porter Thompson were held at Prackfort in the hall of the House of Representatives.

Two persons who partook of pudding in a New York theatrical boarding house are dying from poison it contained. It is believed a wholesale poison was attempted.

William T. Richards, while tearing down an old chimney of a log house that was over 100 years old, on Quick's Run, Mason county, found a small tin box containing \$115 in gold.

Ten miners were being lowered into a shaft at Nanticoke, Pa., when the cage became unmanageable and dropped to the bottom, a distance of 700 feet. All the men were either crushed to death or drowned.

The court of appeals ruled that the State cannot recover on the bond of ex-Auditor Sweeney for money paid by him to the "Taylor militia." His action, it is held, was irregular, but in no wise prejudicial to the State.

One man was killed and 40 persons were injured by the explosion of a box of dynamite at Mt. Vernon, N. Y. The property loss is estimated at \$100,000. The dynamite was lying under a bridge where it was being used for blasting purposes.

Mrs. Susie Cox and Mrs. Sarah Shaw are dead through the mistake of Miss Funk, a nurse at the city hospital, in Indianapolis. The women were recovering from typhoid fever and the physician had instructed sterilized water to be administered them, but unsterilized water was used.

A reservoir of the municipal waterworks plant at Winston-Salem, N. C., gave away, causing the loss of nine lives and the injury of several persons. Four tenement houses were washed several hundred yards by the torrent of water. Officials are investigating the cause of the accident.

Four bandits rode into Cody, Wyo., killed the cashier of a bank who refused their demand for money, and fled toward the famous Hole in the Wall with a big posse in pursuit. Buffalo Bill and a party of his scouts now on the way from Omaha in a special car will join in the chase of the outlaws when they arrive at Cody.

James H. Hendrix, a young man prominent in social and military circles in Montgomery, Ala., was killed on top of a bank building by a live electric light wire which he was trying to cut. A stick of dynamite and a set of burglar's tools which were found by his side indicate that he was endeavoring to gain access to the bank's safe for the purpose of robbing it.

Despite the fact that the census reports show that the Americans are steadily drifting toward vegetarianism, we are still the greatest meat eaters in the world. Our meat still costs us every year \$100,000,000 more than our vegetables, including imported vegetable foods. In the aggregate we Americans pay every year about \$2,250,000,000 for food, or about \$39 a year (for the raw food) for each person.

In addition to the foregoing it may interest you to know that among the meat foods the egg bill (\$114,300,000) is greater than that for any other item except cattle (\$812,000,000) and sheep (\$170,000,000), and that the bill for milk, butter and cheese (\$122,000,000) is nearly four times as large as that for fish, oysters and all other sea foods.—Pearson's Magazine.

Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured and hopeless resignation is no longer necessary. Mrs. Lois Oreg, of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by Penny, druggist. Price 50c and \$1. Trial bottles free.

## LANCASTER.

The lake contains plenty of water, but Manager Bearley is very careful with it.

Farmers in some parts of the county are hauling drinking and stock water four and five miles.

The railroad company has had a water plug placed in the stock pens, which is of inestimable value to shippers.

Much work is being done on the Rowland branch of the K. C. and we have good prospects of a better road bed.

Senator Geo. Farris, one of the best posted men on the road, predicts a landslide for democracy not only in Kentucky, but throughout the nation.

A number of Lancaster Old Fellows went to Palatka Saturday night to do some work, and report a most cordial reception and enjoyable time.

The local political "t" is beginning to stir a little, but not much steam is rising. The democrats are wide awake but if the republicans are doing anything it is on a still hunt.

Local fishermen have been bringing in some nice strings. The river is lower than older citizens have ever seen it, but there are some deep holes in it which will last for some time.

The democratic county committee passed suitable and appropriate resolutions to regard the resignation of Judge M. D. Hughes as its secretary. Judge Hughes is a "wheel horse" in the party.

Mr. Miles, the republican candidate for Congress, made a Dr. Hunter visit to Lancaster last week. That he be "tipped" in and "tipped" out with that gum shoe, cat like tread for which the 11th district sage is so well known.

Cattle are being sold at most any old price. Farmers have no water and they are forced to sell for what they can get. Quite a number of hogs are being shipped to Cincinnati. While the farmers would much rather wait awhile, yet the drought is forcing them to sell and ship now.

While "Mike" Elkin and "Took" Hubble are Lincoln county men, yet they have been in Garrard so much and are so extensively connected here that our people look upon them as home-folks. It will be a "boss and boss" race between these two gentlemen in Garrard.

Rumor has it that both parties are ignoring the Battle Row flatters in the coming campaign. This is a good move now, if the people of Lancaster will refuse to contribute the usual amount of food and clothing this winter, these trilling men will have to go to work. Battle Row is a disgrace to civilization.

## CHURCH MATTERS.

Rev. J. W. Hagin will preach at Walton's Opera House Sunday morning.

Elder J. G. Livingston will preach at Hall's Gap church Sunday morning at 11 o'clock, instead of the second Sunday.

The meeting at Harmona Lick closed Sunday with 25 additions. The preaching was done by Rev. Tye, of Williamsburg.

Elder J. G. Livingston preached the funeral of Miss Nevill Carson and Wm. Reynolds at one time in the Christian church at Brookland.

There have been 17 professions as the result of Rev. O. M. Huey's preaching at the Baptist church. The meeting will continue over Sunday.

The choice of a bishop to succeed the late Bishop T. U. Dudley probably rests between the Rev. Dr. W. T. Maunling, of New York, and the Rev. Dr. Frank DuMoulin, of Chicago.

As a result of a meeting held at Freedom church, Rockcastle county, Rev. Thomas Smith baptized 20 converts Wednesday. The scarcity of water made it necessary to build a dam below two springs, and it took several days for the pool to fill up sufficiently to be used for baptismal purposes.

## Not A Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad of your Electric Bitters and determined to try that. After taking a few doses I felt relieved and soon thereafter was entirely cured and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and general debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c, at Penny's drug store.

Why is it that some business men will bowl about the best trust, the oil trust, the steel trust and all other trusts except the most gigantic—the whiskey trust? But will walk into a barroom and without a grunt plank down the price of a pound of trust beef for a gulp of poison that costs the saloon keeper three cents. Truly this is a funny world.

Chamberlain's Stomach and Liver Tablets are becoming a favorite for stomach troubles and constipation. For sale by all druggists.

# THE INTERIOR JOURNAL

E. C. WALTON

BEFORE another issue of this paper is printed the battle of the ballots will have been fought and let us all hope Parker, Davis, Cantrell and Gilbert elected. Most of the voters have made up their minds and argument now will amount to little, but let us impress on every democrat the importance of voting. It is no secret that the republicans are using every power at their command to carry Lincoln county and unless every democratic voter does his duty they will do so. A few stay-at-homes might lose Lincoln to the enemy—don't let the calamity of it fall on your shoulders, but vote and see that your neighbor does likewise. It will take only an hour or so to drive to your precinct and you can well spare the time and trouble when there is so much at stake. Let us impress on your letting nothing prevent you from voting, but vote, vote early, and last but not least, vote under the rooster.

THE boss political war has taken up his residence at Indianapolis and this is what he sends out: "Two or three men have volunteered to serve without compensation to each of the 3,300 voting precincts in Indiana Tuesday to bring out the vote. No money will be spent to influence voters."

"That there has been a great drift of public sentiment toward Judge Parker there is no doubt. The prospects are good and I firmly believe we will win," says W. F. Sheehan, chairman of the democratic National executive committee. So mote it be.

THE election next Tuesday will decide whether or not Negroes will continue to be shut in the White House. This is only one of the many important questions to be settled. Go to the polls and vote your sentiments.

PRESIDENT ROOSEVELT has issued a proclamation setting apart Thursday, November 24, as a day of Thanksgiving, but what Teddy will have to give thanks for we can't imagine.

THE gamblers say that Roosevelt is a sure winner, but the voters are for Parker. This being the case, there is little, if any, doubt about the result of Tuesday's election.

AN hour spent in going to your precinct and voting will be time well spent. Let nothing keep you from voting.

MANY predict a landslide next Tuesday. Let us all join in hoping that the slide will come our way.

## POLITICAL.

Republicans made a futile attempt to break up the democratic rally in Newark, N. J., which was addressed by Judge Parker.

Vote, brother, vote.  
Vote for certain.  
Remember the rooster.

When you go behind the curtain.  
The fact was made public that President Roosevelt was painfully injured by being thrown from his horse a week ago last Sunday.

A Wheeling dispatch says that the Standard Oil Co. has issued a hurry order for their employees to support the republican State ticket in West Virginia.

Senator Fairbanks has been discussing the wool question. He insists that a tariff on wool benefits the sheep raiser by increasing the price of wool, and in the next breath tells the workmen of the country that a tariff on woolen goods cheapens them. No wonder a sheep is afraid of man.—Bryan's Commoner.

Judge Parker delivered four speeches yesterday in Connecticut, speaking to large and enthusiastic gatherings. The principal address was made last night at Hartford, and the other meetings were held in Bridgeport, New Haven and Meriden. A feature of Judge Parker's address yesterday was his assertion that the Standard Oil Company was working in the interest of the republican party.

The old three decker Duke of Wellington, once the pride of the English Navy, is being broken up at Portsmouth. She was launched in 1852 and headed the fleet that went to the Baltic when war was declared against Russia in 1854. At that time she was the biggest man-of-war in the world, though her tonnage was only 9,071. But she carried 111 guns. "She was 300 shots a minute. What can stand up to her?" said a London paper. She was of wood, of course, and represented the produce of 67 acres of forest oak, reckoned at 40 oaks, 100 years old, to the acre.

## ADDITIONAL LOCAL.

FOUND—An overcoat on Hustonville pike. W. L. Dawson.

GLASSES to fit the eye and frames to fit the face at Dr. W. N. Craig's, Pharmacist.

A SHOWER fell yesterday afternoon, but it would take weeks of rain to do much good.

WANTED, to rent a farm on shares. Want about 40 acres for corn and 30 for grass. Must have house. J. F. Cash, Maywood, Ky.

LARGE, lung telephone poles are being hauled from the Highland section to Harrodsburg. One of them makes a big load for two horses.

THE wrap found and brought to this office by Mr. John Z. Spoonamore, proved to be Mrs. B. W. Gaines'. Mrs. Traylor has not found her yet.

THIS office has printed and delivered the ballots to be used Tuesday. They are larger than one page of this paper and the 12 books weigh close to 400 pounds.

LOST.—Between Hustonville and Mrs. Jesse Staggs, via Stanford, small blue enameled, open-face watch. Leather fob. Parker and Davis check pending. Lora Bohon.

WE are taking off a number of our subscribers who have failed to respond to statements sent them. Better send us a little check or we may have to use the scissors on your name.

THE First National Bank of Stanford will offer for sale to the highest bidder, before the court house on Monday, Nov. 14, 1904, its brick office on Lancaster Street and a small dwelling on Somerset Avenue. Terms made known on day of sale. J. S. Hocker, president.

MRS. JOSEPH E. CLANCHY entertained the Chautauqua Circle on Thursday afternoon in honor of Mrs. Eben Porch, Mrs. Jesse Lynn, of Stanford, and Mrs. Logan Wood, of Danville, brides of the season. The decorations were in beautiful taste; the favors hand-painted leaves of the forest. A feature of special interest was a book contest for pretty prizes, which were awarded to Mrs. Eben Porch and Mrs. W. A. Morrow. Miss Genevieve Porch served the coffee and Misses Jennie Lynn, of Stanford, sister of the hostess, and Marguerite Salter charmingly served the tables. No more beautiful and enjoyable function has occurred in the city the present season.—Somerset Journal.

The enrolled teachers will be entertained at the New Hotel Weatherford Prof. E. L. Grubbs, vice-pres.; Mrs. G. T. Gough, secretary.

Chronic Diarrhoea Cured.

Mr. Walter Richardson, of Troutville, Va., had an attack of diarrhoea that came near ending his life. His physician had failed to relieve him and the disease had become chronic when he began using Chamberlain's Colic, Cholera and Diarrhoea Remedy. It soon cured him and he now recommends that preparation whenever an opportunity offers. For sale by all druggists.

Charles Green, aged 15, confessed that he assassinated his father, Milt Green, by shooting him through the window while he was eating supper at his home in Laurel county. Young Green is now in jail at London.

## Here and There.

John K. Wilson is dead in Mercer, aged 85.

Rev. R. B. Mahony, of Stanford, preached last Sunday at Rockyford church.—Liberty News.

The four-year-old daughter of J. T. Stevens, of Red House, Madison county, fell into an open fireplace and was so badly burned that the child died in great agony.

Senator Beveridge says that under republican administration the American workman drinks three cups coffee to one that he drank under a democratic administration. Well, why not? He needs more stimulant to enable him to stand it, says Bryan's Commoner.

Dispatches from Chefoo assert that the fall of Port Arthur is imminent. Detailed reports of the operations indicate that the Japanese are entering upon the last stage of the siege. Practically all the outlying defenses are said to be in their hands and they are confident of early victory.

As the climax of a religious wave set in motion by two weeks' service, in Atlanta, conducted by Dr. J. Willbur Chapman, of New York, and 14 assistants, stores, offices, shops, factories and even saloons closed in the afternoon to permit workers in all walks of life to participate in "hour of prayer" services to be held in all the city churches and hundreds of homes. Such a thing is unprecedented in Georgia history.

## A Runaway Bicycle.

Terminated with an ugly cut on the leg of J. B. Orner, Franklin, Grove, Ill. It developed a stubborn ulcer, unyielding to doctors and remedies for four years. Then Bucklen's Arnica Salve cured. It is just as good for burns, scalds, skin eruptions and piles. 25c at Penny's drug store.

TO THE DEMOCRATS OF LINCOLN COUNTY.—I am no longer a candidate for the nomination for jailer. I thank my friends for their support while I was in the race. I now wish to announce that I am for the nominee, whoever he may be. J. C. Hayes.

By his manly card elsewhere it will be seen that Mr. James C. Hayes has withdrawn from the race for jailer. A poll of the two Crab Orchard precincts was taken by friends of Mr. Hayes and Mr. W. J. Herrin and the latter getting a few more votes, Mr. Hayes withdrew from the contest. As stated in his card Mr. Hayes will cheerfully support the nominee of the December primary and as usual he will do his utmost to make Lincoln county go democratic. There are few if any better men than Mr. Hayes and the news of his withdrawal has caused high surprise and regret.

TWO DEAD.—As the result of the head-on collision between two freight trains a few miles this side of Livingston at 6 o'clock Wednesday morning, Thos. Lasey, an engineer, and Ernest Melkie, a fireman, are dead. Both engines and three cars were literally demolished. Melkie died at 11 o'clock and Lasey five hours later. It is claimed that the wreck was the result of Train Dispatcher Fleb falling to cancel an order at Livingston at the same time he did at Sticks, a nearby station. Mr. Lasey was a son of Mrs. Annie Lasey, of this place, and was a splendid young man. He stood well with the company and by his gentlemanly manner he won the esteem of all who came in contact with him. Mr. Lasey was one of the youngest engineers on the road and was also one of the very best. A wife survives him, and in her loss great sympathy is felt for her, as well as for the parents and sister and brother. The remains were brought here yesterday afternoon and after appropriate services at the grave by Rev. J. W. Haglin, were consigned to mother earth. A large number of friends from Livingston accompanied them. Young Melkie was an exceedingly popular employee. He was only 23 years old and was unmarried. His remains were taken to Louisville for interment.
